

Burrowing Owl Stewardship and  
Education Fund  
February 6, 2013

- The Fund established in January 2013 at the Imperial Valley Community Foundation (IVCF)
- 8Minutenergy Renewables LLC established the fund as part of an agreement with the Sierra Club and the Foundation.

The Fund will make  
competitive grants  
to support  
Burrowing Owl  
Conservation in the  
Imperial Valley

- Grants can support a range of conservation activities (acquisition, landowner agreements, restoration, education, etc.)

- Grants will likely start in late 2013
- An Advisory Committee with science, conservation and agricultural expertise will make funding recommendations
