

RAY FAMILY COLLEGE SCHOLARSHIP PROGRAM

**FOR GRADUATES OF CALIPATRIA UNIFIED SCHOOL DISTRICT
ATTENDING NON-PROFIT COLLEGES ON CAMPUSES LOCATED IN IMPERIAL COUNTY**

Dear Applicants:

The Ray Family College Scholarship Program is pleased to offer multiple scholarships to graduates of Calipatria High School who wish to continue their education by enrolling in public colleges located in Imperial County, but need financial assistance. Calipatria High School graduates (including those currently attending college) who plan to attend a college located in Imperial County in the fall (8 hours or more) are encouraged to apply. Because the purpose of this scholarship program is intended to benefit students needing financial assistance to continue their education, only applicants with combined household/family income of less than \$50,000 per year are eligible, unless other siblings are currently attending college (for purposes of qualification, deduct \$5,000 from total household/family income for each sibling who will be attending a college at the same time).

Consideration will be given to all dedicated students regardless of their chosen courses of study. Special consideration will be given to students exhibiting exceptional **maturity, initiative, creativity, originality, and discipline** required to succeed scholastically.

Individual scholarship awards will be a minimum of \$500 and a maximum of \$1,500 per person per academic year. Some eligible applicants may not receive awards due to limited funds. Total funds available to the program will vary from year to year. Scholarship recipients are eligible to reapply the following college year, provided recipient(s) continue to meet the criteria for applying.
